There are high qualities of commercial bar stools and Chairs in many designer styles and seat heights to accommodate and counter or bar height. You can choose from Metal swivel bar stools, Leather swivel bar stools, Modern bar stools and Patio bar stools depending upon your need like indoor or outdoor use. Many people use the commercial bar stools for their indoor and patio bar décor. The commercial bar stools are available in many material like stainless steel, iron, metal, wood, bamboo etc.

Whenever you go for shopping for some new commercial bar stools, there are many important things which you should take into consideration. If your business is newly established then the price is the main factor of course. As the commercial bar stools are going to be a major part of your bar and assets of your business, the budget should not be compromised with the quality of the commercial bar stools. Second important thing is the durability, the commercial bar stools should last for a longer period of time say for 5-6 years at least. Third is choosing the right style of the commercial bar stools. The commercial bar stools should match with the rest of the décor of your bar and the environment of the bar. The last very important is the long term plan for the

décor. The bar owners keep on changing the décor to make a fresh feel in the bar and also to attract the customers. The new established bars may not afford to change the commercial bar stools every time they change the décor and the color schemes of the bar. Keeping in mind the future changes while buying new commercial bar stools will help a lot.

You should be very clear with the exact quantity you need of the commercial bar stools for your bar. For this the perfect measurement of the bar area and the space required for the commercial bar stools should be taken into consideration. If you are planning to buy commercial bar stools in bulk you may get a nice discount on your buying. Buying the commercial bar stools on internet rather than in retail stores, can be a wise decision as you can get a better deal due to the heavy competition. This will definitely save your money.

If your bar is too crowded and busy then you should take care of the commercial bar stools. Many times the customers are careless and you may find the commercial bar stools in a very bad condition at the end of the day. In such a case the low maintenance bar stools or the metal bar stools can be a better option. Buy the commercial bar stools which complement the rest of the décor, mainly the tables or bar counters they'll be used with. The commercial bar stools should also match with the color of the bar. In most of the cases the black bar stools go with any type of décor. Avoid the commercial bar stools with the eye catchy colors which are too bold. A perfect buy will always end up in high returns and a good reputation of the business. Taking note of these tips will definitely help you in buying your perfect commercial bar stools.

Outdoor bar stools

Many of us like to spend our evening in the outdoor with our friends and company. Sitting comfortably enjoying the natural ambience, unpolluted air and fragrance of nature is really great experience and a healthy practice. Such gatherings are fun and revitalizing the body and mind. Outdoor bar stools are integral part of such outdoor get together. Many people like to entertain on the patio or spa or in the pool side with small hot drinks and chit chatting. Even there are many families like to spend their calm evenings at the outdoor lawn of the home.

Selecting the outdoor bar stools require some thinking process. The major reason warranting special attention for selection is nothing but it is in the outdoor, the bar stools need to be placed. There are few factors dictating the selection of the outdoor bar stools. These factors include

- (i) Outdoor climate – As all of us know bar stools are available in different varieties. The material with which the material made up of will be different. There are metal bar stools, wood bar stools and other varieties of bar stools. Among the metal bar stools, there are iron bar stools, chrome bar stools and aluminum bar stools. Outdoor weather can generate rusting in the iron bar stools. If the atmosphere is wet, wood bar stools can also lose its color and polishing after some time. Aluminum bar stools and chrome bar stools are considered good in these conditions. But if the climate is good and does not aggravate the durability or attraction of the bar stools, iron and wood also can be used. Perfectly painted and polished outdoor bar stools will never lose its charm.
- (ii) The Scenic location – Mostly the outdoor party set ups will be in scenic backdrops. For example most of us would like to have dinner parties at the pool sides. It is necessary to select the matching colors and attractive shapes for the outdoor bar stools. Outdoor bar stools should add the naturally scenic beauty of the location. It should not dampen the environment.
- (iii) Transportation of the outdoor bar stools – It is inevitable to move the outdoor bar stools in and out of the storage places. As the transportation requirements goes up, the wear and tear can increase. So it is necessary to have sturdy and strong outdoor bar stools. Also for the ease of shifting and bringing back, light weight outdoor bar stools are preferred.
- (iv) High quality and strong outdoor bar stools – Outdoor bar stools need to be strong and high quality. Mostly outdoor bar stools are used very regularly. Regular use of the barstools can lead to less durability. So it is essential to have outdoor barstools with long durability.
- (v) Size, height and shape of the outdoor bar stools – These three are very important aspects to be considered. Mostly people prefer to have less height barstools as outdoor bar stools. 24 bar stools, 28 bar stools and 30 bar stools are mostly preferred. Size and shape to be chosen in accordance with the space available in the outdoor.

While purchasing you should make sure that you get the best deal with cheaper prices for outdoor bar stools. There are many online barstool stores offering outdoor bar stools at discounted rates.
